CARD TO ADVERTISERS.

THE WEEKLY GRAPHIC has now the

largest regular circulation and sub-

scription list of any paper in the coun-

ty, and it is still rapidly increasing.

The paper has been more than self-

sustaining from its first issue, with-

standing the petty personal efforts of

certain interested parties to prevent

business men from giving us their fa-

vors.

The Graphic is not only a grand

newspaper success, but it is a permanent

institution, all stories to the contrary

notwithstanding. It has come to stay.

Please mark that fact—and what is

more, the people appreciate it. It's

present size will be maintained perma-

nently, and no effort will be spared to

improve rather than to degrade in the

character and variety of its make-up.

Ample financial backing is behind it to

assure these ends. The Graphic has al-

ready fulfilled the prediction of its

friends, and is today in the lead. It

proposes to keep it. Our books are

open to inspection, and circulation no

secret. We mean business—and the

people appreciate the fact, and fully

understand the futile personal efforts

which envy and jealousy may prompt

to keep you from availing yourselves of

our advertising columns.

NEW GROCERY STORE.

Another new, first class grocery has

just been opened in Kirkville. Mr.

G. W. DeRemer is the man, and is

so well known to the people of Adair

that the mere mention of his name is

sufficient introduction. The fine,

large store just vacated by Edmond-

son & Co., south side Square, is the

place you will find him. Al. Tinsman,

one of the best known and most popu-

lar clerks in the city is behind the

counter. The stock is very large and

very complete in everything that goes

to make up a first class establishment.

Be sure and call.

Dr. Arnold's entertainment was a

decided novelty, and gave splendid

satisfaction. Everybody came away

and in good humor.

The Kirkville cornet band came out

Wednesday in a spanking new uni-

form which is about the prettiest

we have yet seen. The boys favored

the Graphic with a few of their splen-

erty Hall, for the purpose of nominating

a state republican ticket. The basis of

representation will be fixed, and will be

one delegate for each 100 votes, or frac-

tion of 150, upon the vote cast for the

republican candidate for governor in

1876, provided that each county shall

be entitled to at least one delegate, and

that in the city of St. Louis the dele-

gates be elected in each ward, on the

same basis, as near as may be.

are directed to call county conventions

in their respective counties on or before

Wednesday, the 26th day of September,

and the city committee of the city of St.

Louis on or before Monday, the 17th

states thorough and systematic distri-

bution of campaign documents will be

headquarters. But there must be first

a systematized and official source of

distribution reported, which is the
